Coach's Corner

As we wrap up our winter season, I want to give a shout out to Madison Futsal. Their league is first class for many reasons. Top competition, excellent referees, modified (common-sense) playing guidelines that are tailored toward real development, such as unlimited pass-back to the goalkeeper (unlike traditional futsal) and the 6' throwing rule, encouraging specific distribution from the goalkeeper. Additionally the staff is run by a friend of mine Ilir Lushaj, who assembles a staff of professional, respectful, hard-working folks that are sincerely interested in feedback to make their league better. -Jim Schrot | Director of Coaching
