Juggle-A-Thon

Congratulations to the Visa Gift Card Winners!

\$100 (Asher D from U10 Boys)

\$50 (Jordan K from U14/15 Girls)

And congratulations to the U13's Boys for raising the most in donations! They will get to enjoy a team pizza party!

Thanapon S. on the U16/17's Boys Black had the highest number of juggles at an astounding 268!

We had an overall club participation of 43%. Unfortunately, that was less than last year, although we raised more! Can you imagine if we had even more players participating?!! These funds will go towards field maintenance, field repairs, nets and paint.

Thank you to all that helped fundraise! The kids really enjoyed testing their skills and competing against their teammates!

Coach's Corner

Coaching is very fulfilling – teaching technical skills, building tactical awareness, the strong emphasis on character, competition, the laughs, struggles, leadership mentoring, tears, smiles, hugs, life lessons, and words shared inside that circle - that only players and coaches share... That's the really good stuff.

What I've learned this year is to enjoy and appreciate our coaches that were once HUSC players. The fact that they choose to return to invest in the next generation of players is truly remarkable. The positive energy that Dom C., Taylor L., Keegan B., Nolan W. and Collin J., put into Hartford United SC players and teams is a testament to a healthy culture -- a family.
